

HANDOUT

Changing Public Opinion in the North

Note-Taking

Directions: As you listen to the mini lecture, take notes on information that can help you answer the following question: *What were the causes of the shift in Northern public opinion against Reconstruction in the South?* Use the four categories listed in the boxes below to help guide your note-taking. Add any questions that come up for you in the space below.

The End of War Fever	Corruption
The Panic of 1873	Racism
